Fax: 713-465-3135

Gary A. Finkelman, Chief of Police

May 12, 2010

To All Residents and Businesses:

The Spring Valley Village Police Department has begun utilizing DeltAlert, a secure web-based system used to notify citizens and businesses of emergency situations that may impact our local area. Such notifications may be made in order to alert you of criminal activity, missing children, shelter-in-place orders, evacuations, or other public safety information. These alerts can be delivered by telephonic voice notification (to home, business, or cell phones), by text message, and by e-mail.

The police department has been provided with a contact database that contains a large number of our residential and business contact information. However, to ensure that you receive alert notifications, please go to the city website at <http://www.springvalleytx.com> and then click on the DeltAlert Logo to access the opt-in site to confirm, update, or add your contact information.

For those of you who may not have internet access but still wish to confirm your information, please contact your police department administrative assistant, Debbie Gonzalez, by phone at 713-465-8323 during regular business hours.

The contact information you provide will only be used by the Spring Valley Village Police Department for emergency or mass notification purposes. Your information will be stored securely and will remain private.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary A. Finkelman".

Gary A. Finkelman
Chief of Police
