**THESE ITEMS/COMMENTS ARE TRANSMITTED FOR YOUR REVIEW**

Please refer to the following clarifications to the City of Spring Valley Village Request for Competitive Sealed Proposals dated 23 July 2015:

1 – Exhibit E – remove reference to number of temporary toilets and replace with “as required per number of workers present”

2 – Exhibit E – remove reference of “for testing”. All temporary utilities to be provided for all construction activities.

3 – Permit question: “Will the building permit fees for this project be waived, since the City of Valley Village is the permitting entity?”

3.1 – Answer: There will be permit fees associate with the plan review, but the City will work with the selected G.C. on other permit and inspection fees.
